

The 7th National Conference On Access Management

~ PENDING SESSION SCHEDULE ~

		A 8:00-9:30 AM		B 10:00-11:30AM		C 1:00–2:30 PM		D 3:00-4:30 PM		E	F Evenings	
Sunday August 13 th	 <div>Conference Registration 12:30 PM to 4:30 PM</div>					Chapter 1 : W1 Introduction to Access Manual		Chapter 1 : W2 Access Management 101		Evening Welcome Reception		
						Sub-Committee Sessions ADA70 (Research)		Sub-Committee Sessions ADA70 (Conference)				
						Sub-Committee Sessions ADA70 (Strategic plng)		Sub-Committee Sessions ADA70 (Outreach)				
Monday August 14 th	BALLROOM	2	Chapter 2 Effects of Access Management 4, 10, 18, 28	COFFEE BREAK -- 9:30 AM – 10:00 AM	Opening Session Keynote Speaker Christine Johnson FHWA	LUNCH 11:30 AM – 1:00 PM	Chapter 4 Local and Regional Programs 22, 23, 47		Chapter 7 Land Development and Access 2, 5, 45		Poster Sessions – All Breaks	Free Evening Explore Park City Main Street
		3	Chapter 3 Developing a State Access Management Program 1, 8, 14, 29				Chapter 5 Roadway Classifications and Access Categories 13, 30, 43		Chapter 12 Access Permitting 26, 46			
		4	W3 Educational Demonstration of Public Policy Mediation				W4 Land Development and Access Management Strategies		W5 Corridor Planning ~ Successful Access Management			
Tuesday August 15 th	BALLROOM	2	Chapter 6 Corridor Access Management Plans 24, 31, 36	COFFEE BREAK -- 9:30 AM – 10:00 AM	Chapter 6 Corridor Access Management Plans 40, 44,	LUNCH 11:30 AM – 1:00 PM	Chapter 14 Public Involvement in Access Management 11, 19, 27		Chapter 13 Internal and Intergovernmental Coordination 6, 32,		Poster Sessions – All Breaks	Evening Dinner Event Utah Olympic Sports Park 5:00 PM to 9:00 PM (Buses provided)
		3	Chapter 8 Access Location 9, 20, 34, 37		Chapter 9 Access Spacing 21,33, 35		Chapter 10 Access Design 3, 17, 25, 39		Chapter 11 Medians and Continuous Two- Way Left-Turn Lanes 38, 41, 42			
		4	W6 How to Make Implementation Stick, NCHRP 08-46		W7 Panel “Lowering the Coefficient of Friction: State and Local Government Interactions”		W8 State Department of Transportation Coordination in Local Development Review		W9 Successful Public Involvement: “Early and Often” The Key to Success			
Wednesday August 16 th	BALLROOM	2	Chapter 15 Right-Of-Way and Legal Considerations 7, 15	COFFEE BREAK -- 9:30 AM – 10:00 AM	Closing Session	Joint Luncheon Committee Members Only ADA70, AFB10, AHB65	ADA70 Committee on Access Management Meeting 1:30 to 400 PM				Free Evening	
		3	AFB10 Sponsor “Access Management for Developed Areas”		7 th National Access Management Conference							
		4	W10 A Hitchhikers Guide to the Development of an Access Plan		Council of Wisdom		AFB10 Geometric Design Committee	AHB65 Operational Effects of Geo Committee				

~ PENDING SESSION SCHEDULE ~

Session Titles (Access Management Manual Chapters)

- 1 Introduction and Concepts
- 2 Effects of Access Management
- 3 Developing a State Access Management Program
- 4 Local and Regional Programs
- 5 Roadway Classifications and Access Categories
- 6 Corridor Access Management Plans
- 7 Land Development and Access
- 8 Access Location
- 9 Access Spacing
- 10 Access Design
- 11 Medians and Continuous Two-Way Left-Turn Lanes
- 12 Access Permitting
- 13 Internal and Intergovernmental Coordination
- 14 Public Involvements in Access Management
- 15 Right-Of-Way and Legal Considerations

Workshop / Panel Discussion

- W1 Introduction to Access Management Manual
- W2 Access Management 101
- W3 Educational Demonstration of Public Policy Mediation
- W4 Land Development and Access Management Strategies
- W5 Corridor Planning ~ Successful Access Management
- W6 How to Make Implementation Stick NCHRP08-46
- W7 Lowering the Coefficient of Friction: State and Local Government Interactions ~ Panel Discussion
- W8 State Department of Transportation Coordination in Local Development Review
- W9 Successful Public Involvement: "Early and Often" – The Key to Success
- W10 A Hitchhikers Guide to the Development of an Access Plan

Committee Sponsored Sessions

- AFB10 Sponsor "Access Management for Developed Areas"
- AHB65 Sponsor "XXX"

7th CONFERENCE on ACCESS MANAGEMENT 8/13-16/06

Abstract Proposals					
	Title	Contact(s)			
1	Development of Mississippi's Access Management Program - Lessons Learned	Jeffery C. Altman	Dane Ismart	J. Richard Young, Jr.	
2	Park City, Utah's SR-248 Access Management for the Olympic Transit Center/Roundabout in Old Town	Bill Baranowski			
3	Traffic Efficiency of Two Non-Traditional Intersections; Superstreet and Through-About	Joe Bared	Kim Taehyeong	Edara Praveen	
4	Safety Impacts of Access Management Techniques in Utah	Tim Boschert	Grant Schultz		
5	A Review of Oregon's Innovative Interchange Area Management Plan	Marc A. Butorac			
6	A State of Change - North Carolina's Progress	Laura Cove	Gary C. Faulkner		
7	Incorporating Access Management into Highway Projects	Phil Demosthenes			
8	Access Management in Michigan	Tom Doyle			
9	A Model for Heavy Truck Freight Movement at the Intermodal Facilities in the Port of Baltimore	Evangelos I. Kaisar			
10	Driveway Density and Crash Relationship for Rural Two-Lane Highways in Texas	Kay Fitzpatrick	Bill Schneider		
11	Rural Access Management - "Innovative Approaches in Expressway to Freeway Conversion"	Darren Fortney			
12	"Not Just Your Run of The Mill and Resurfacing" MDOT's Access Management Efforts as part of Rehabilitation Projects	David Geiger			
13	New Jersey Highway Access Code Reevaluation Study	Jerry Gluck	Matt Lorenz	James Lewis	Neil Longfield
14	Indiana Statewide Access Management Study	Jerry Gluck	Matt Lorenz	Steve Smith	Dan Buck
15	Overview of NCHRP Synthesis 35-06 on Access Rights	Del Huntington			
16	Access Management Impacts on Business: Perceived or Real?	Dane Ismart			

17	Traffic Performance of New Jersey Jughandle Intersections in Comparison to Conventional Intersections	Ramanujan Jagannathan	Warren Hughes	Joe Bared	
18	Safety Performance of New Jersey Jughandle Intersections in Comparison to Conventional Intersections	Ramanujan Jagannathan	Warren Hughes	Joe Bared	
19	Public Involvement in Access Management: A Primer for Public Involvement Process and Strategies in Access Management	Andrew Johnson			
20	Land Use and Access Relationship; Surveying the Landscape	Andrew Johnson	John Bosket		
21	Simulation of Access Management Treatments Near Interstate Interchanges	Steven Jones Jr.	Kapil K. Sharma	Michael Anderson	
22	Corridor X Access Management and Development Plan	Steven Jones Jr.	Steve Ostaseski	Mary G. Lewandowski	Drew Wharton
23	Main Street on Highways; Preserving the Function of the Roadway while Respecting the Local Vision	Nancy E. Murphy	Harold Lasley	Tracy White	
24	Corridor Agreements / Plans - South Dakota	Rick Laughlin	Shannon Ausen	Bill Troe	
25	Design Solutions for the South Tri-State Toll Highway	David McDonald Jr.			
26	HAMS: Highway Access Management System WisDOT	Anurag Mehta	Ron Nohr	Curtis Pulford	
27	The Vermont Agency of Transportation Access Management Public Outreach Project	Kimberly Murray			
28	Safety Evaluation Right Turn Followed by a U-Turn as an Alternative to Direct Left Turn from Driveways	Fatih Pirinccioglu	Jian John Lu		
29	Rules and Regulations of Road Access Management in Iran	M. Saffarzadeh	M. Pooryari		
30	Implementing Dakota County's Access Spacing Standards	Kristi Sebastian			
31	Access Management Plans in Two Diverse Rural Corridors: Methods Applied and Lessons Learned	Joe Segale	Stephen Lawe	David Saladino	David Pelletier
32	Shall We Dance?: Achieving Corridor Management through Intergovernmental Cooperation and Coordination	Karen Seggerman			
33	Context Sensitive Design and Access Management	Dr. Nikiforos Stamatiadis			
34	Micro-Simulation as a Safety Evaluation Tool for Access Management Treatments	Casey Toycen	William Eisele		
35	Overview of NCHRP Synthesis 332 on Access Management on Crossroads in the Vicinity of Interchanges	Marc A. Butorac	Jerilyn C. Wen		
36	Interstate Access Modifications: A Corridor Level Approach to FHWA's Eight Points - WSDOT	Karl Westby	Don Peterson	Jim Leonard	Patty Rubstello
37	Operational Analysis for Interstate Access Modifications - WSDOT	Karl Westby	Grant Zammit	Liana Liu	
38	Safety Concerns Related to a Rural Expressway: A Case Study of a Non-Access Controlled 4-Lane Divided Roadway	Mark Wooldridge	Marcus Brewer		
39	An Unconventional Design for Bus U-Turns at Signalized Intersections	Huaguo Zhou	Larry Hagen	Harkanwal Singh	Pei_Sung Lin
40	The Strategic Highway Corridors Concept Development Report	David Wasserman			
41	Context Sensitive Design ~ Medians	Brian Christensen			
42	Context Sensitive Design ~ Medians	Brian Christensen			
43	Auditing An Access Management Policy	Brian Gage			
44	Urban Interstate, Major Venue and Local Street Access Management – All in One Project	William Seymour			
45	Long-Term Business and Land Development Impacts of Access Management: Minn. I-394 Case Study	David Plazak	Howard Preston		
46	Utah Department of Transportation Permit Process and On-line Program	Mike Donivan	Shawn Debenham		
47	Western Snyderville Basin Plan	Jon Nepstad	Kevin Callahan	Ryan Hales
